greetings

Don't let my quiet online presence fool you - I had a lot to say about hospitality and leadership in March, and I am fortunate to have had the opportunity to share the microphone with some amazing podcasters recently. Info about some of my favorite conversations are on page 2! I'd love to know which one is your favorite!

XOXO

how can i help?

I've got 2 turntables and a microphone! (Well, actually, just a microphone... but I know how to use it!)

Did you know... I would love to come speak to your team! My playful, energetic, and authentic style is perfect for everyone from students to professionals! Whether you are leading a group through change, looking to elevate your onboarding and training process, or simply looking to provide motivation and inspiration for your team, I can help you deliver the message.

You want a high energy speaker. **I can help with that!** If you have a group of 20 or a group of 2,000, I have my microphone at the ready! Schedule a call with me and let's get your meeting or event on the calendar!
